ANGD Course Policies

Attendance Policy: Attendance is mandatory. After one absence, each additional absence will result in a letter drop in your final grade. If you are late 3 times, that counts as an absence. Illnesses or doctor's appointments are excused but try to avoid appointments during class time. If you miss 30% of class (for this class 4 meetings) for any reason - even if medically

excused - you must withdraw; the class needs to be retaken.

Late Work Policy: No late assignments are accepted. All assignments are due before the beginning of class on the day they are due. If you are sick or have to miss class, the assignment is still due. There are no redos. Make every project you turn in count.

Academic Integrity Policy: Self Plagiarism: No work previously completed in another section or course can be turned in. All use or downloaded content is prohibited in all coursework unless otherwise specified by your instructor.

Phone/Device Policy: When in class, no phones or devices should be out. Keep them put away unless otherwise specified by your instructor. Phone usage in class shows you are not mentally present and will be considered a tardy. Three phone uses in class equals an absence and thus a letter drop in grade.
