Faux Wood Blinds

OVERVIEW DESCRIPTION SPECIFICATIONS

- Moisture Resistant**
Hot and steamy? Faux wood is great for bathrooms, kitchens, and garages.
- Super Durable**
Does your home feel like a circus sometimes? Scratch and moisture-resistant PVC can stand up to almost anything.
- Budget Friendly**
On a budget? No worries. For the same look, faux wood blinds cost less than real wood blinds.
- Easy to Clean**
An easy wipe down is all that's needed to make your oh-so-pretty blinds sparkle.
